A STUDENT'S JOURNEY BEGINS WITH

RECRUITMENT.

Introducing prospective students to your institution is a crucial step in jump starting their college experience. Booking recruitment appointments with RegisterBlast can make the introduction easy.

● **CAMPUS TOURS**

The Event Tool can help prospective students register online for campus tour events.

● **ADMISSIONS ADVISORS**

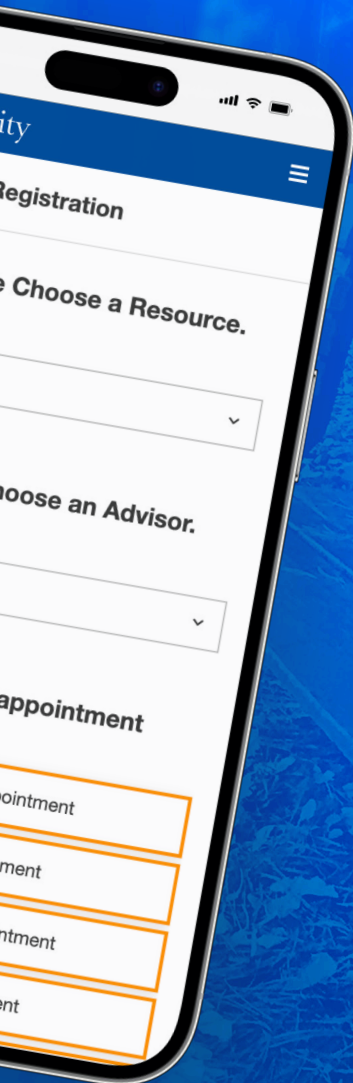

Prospective students can schedule time with advisors and counselors to navigate the recruitment experience.

● **COLLEGE FAIRS**

Planning a college fair? Use RegisterBlast for scheduling online from anywhere, anytime.

● **COMMUNITY OUTREACH EVENTS**

Engaging with the community can build interest. RegisterBlast can help create, share, and manage community events.

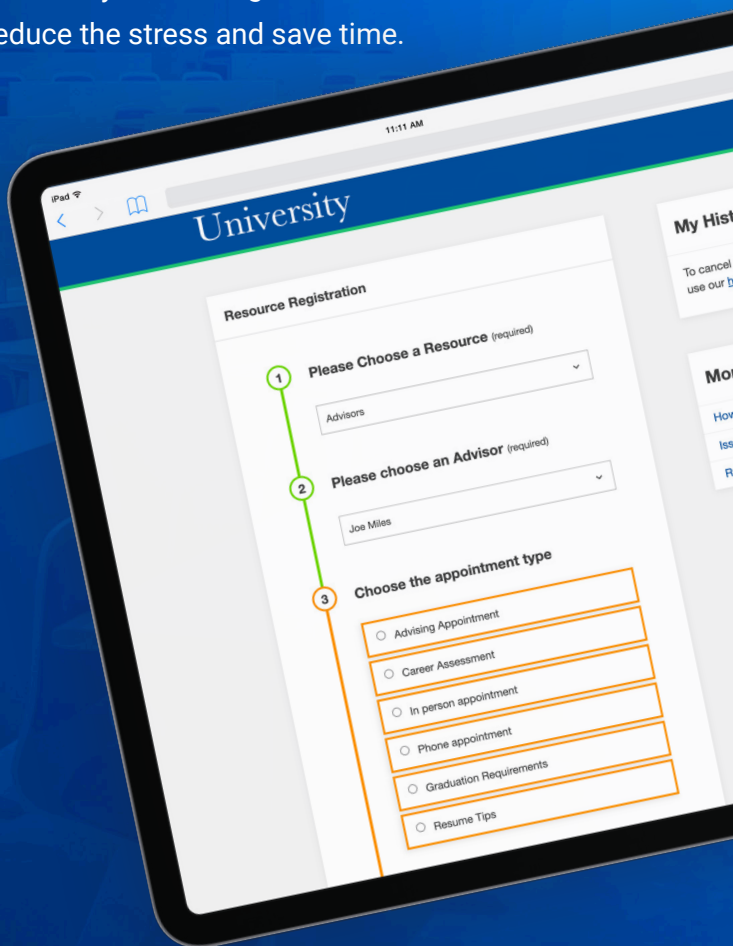

ONCE THE PROSPECT IS READY, IT IS TIME FOR

ADMISSIONS.

The admissions process can be strenuous for students and faculty. With so many moving parts, having a quick and easy scheduling solution can help reduce the stress and save time.

● ORIENTATION

Onboard new students through orientation with a suite of event and resource scheduling tools.

● FINANCIAL AID

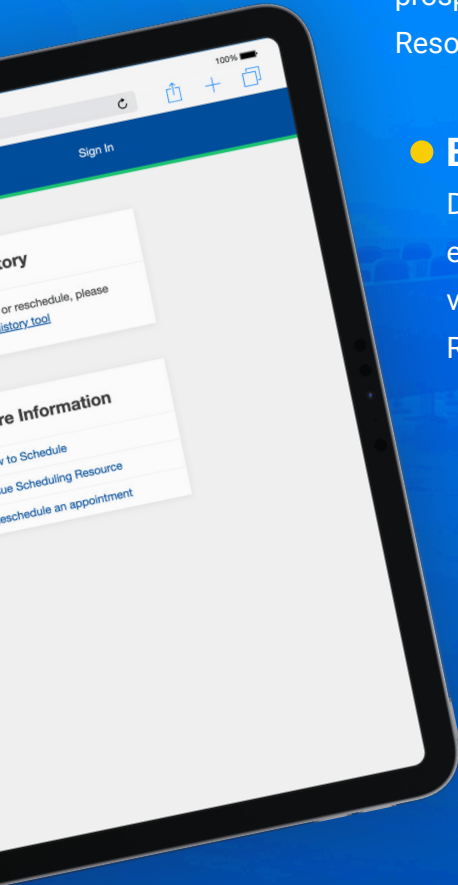

Put the availability of your Financial Aid faculty in the prospective student's hands with Resource Scheduling.

● ENROLLMENT

Do you host large, in-person enrollment events or one-on-one virtual meetings? Either way, RegisterBlast can schedule it.

● ENTRANCE EXAMS

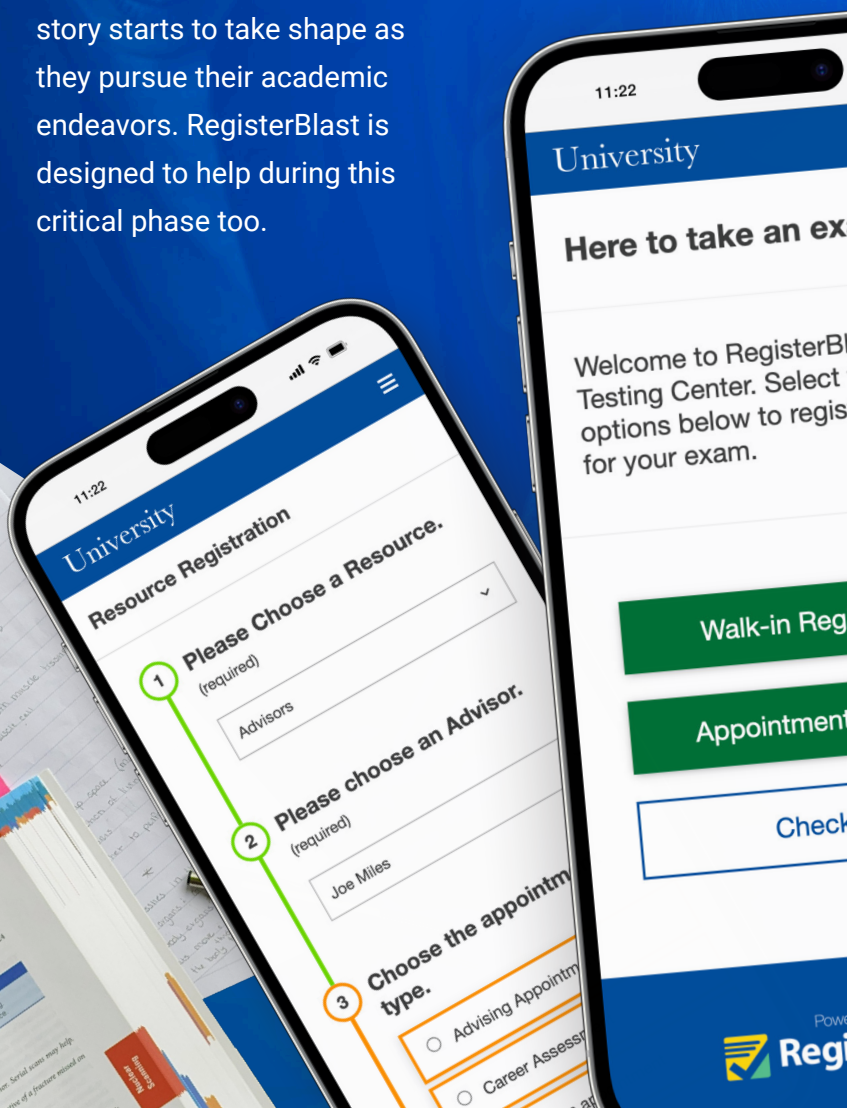

RegisterBlast's testing tools can streamline the exam experience from registration to check out.

IT'S OFFICIAL. YOUR STUDENT IS READY FOR

ACADEMICS.

Your student's success story starts to take shape as they pursue their academic endeavors. RegisterBlast is designed to help during this critical phase too.

● TUTORING

Students can book appointments with tutors with a simple, web-based experience right on their phone.

● COUNSELING

When questions arise, have your counseling staff available through the RegisterBlast Resource Tool.

● TESTING AND ASSESSMENT

Make your entire exam catalog accessible and bookable by your entire student body with RegisterBlast's Exam Tool.

● LAB RESERVATION

Allow students to book study rooms, academic success labs, computers, and professor time with RegisterBlast's scheduling tools.

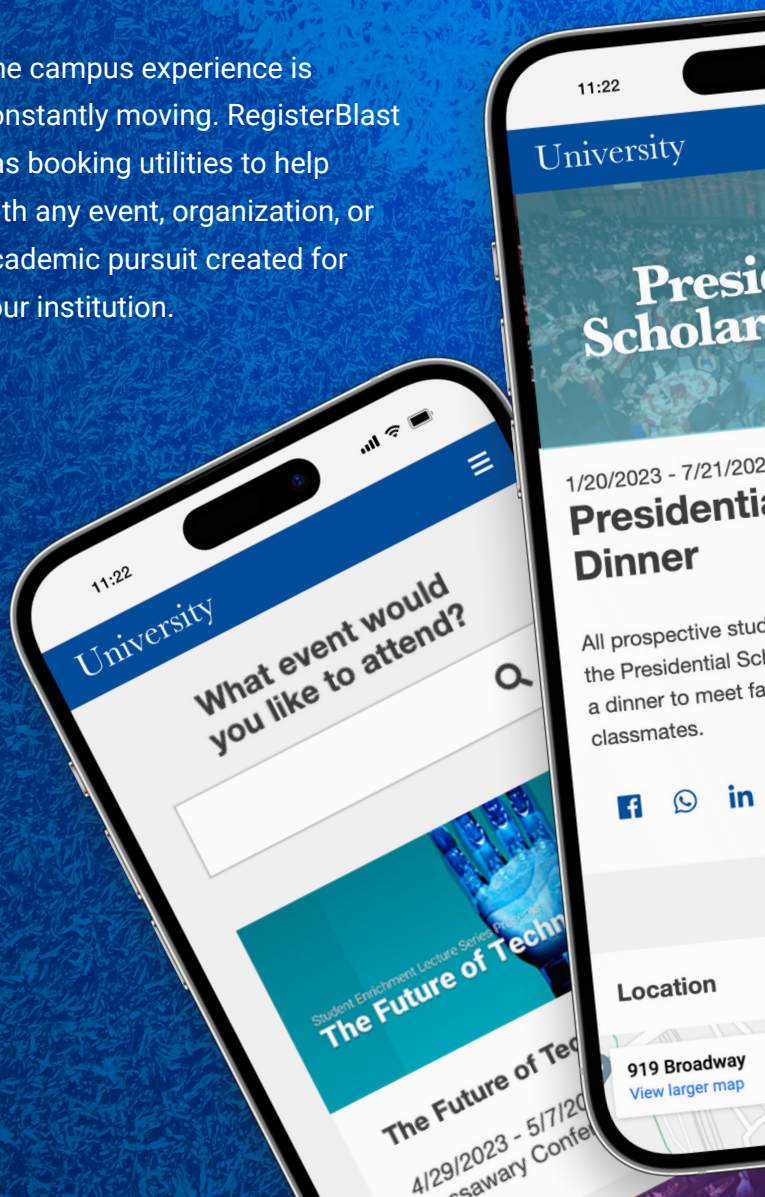

ENCOURAGE STUDENT ENGAGEMENT IN

CAMPUS LIFE.

The campus experience is constantly moving. RegisterBlast has booking utilities to help with any event, organization, or academic pursuit created for your institution.

● SPORTING EVENTS

Be it large-scale sports events or small league activities, RegisterBlast Event Tools can make scheduling quick and easy.

● CLUBS AND SOCIETIES

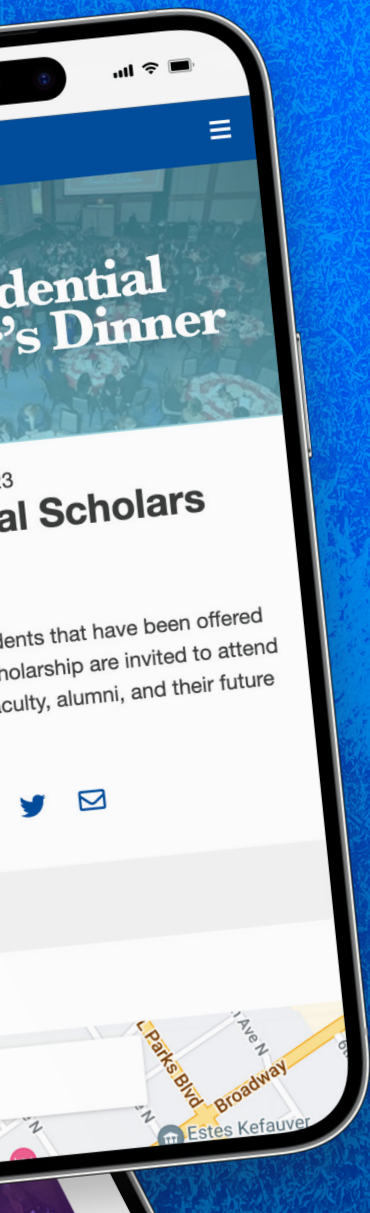

Manage social events for any group, club, or organization on campus.

● ARTS AND COMMUNITY SERVICE

Art, academic, and service events can be created, promoted, and managed, all from the RegisterBlast tool dashboard.

● AFFINITY ORGANIZATIONS

No matter the campus organization, RegisterBlast event and resource tools can help with booking and appointments.

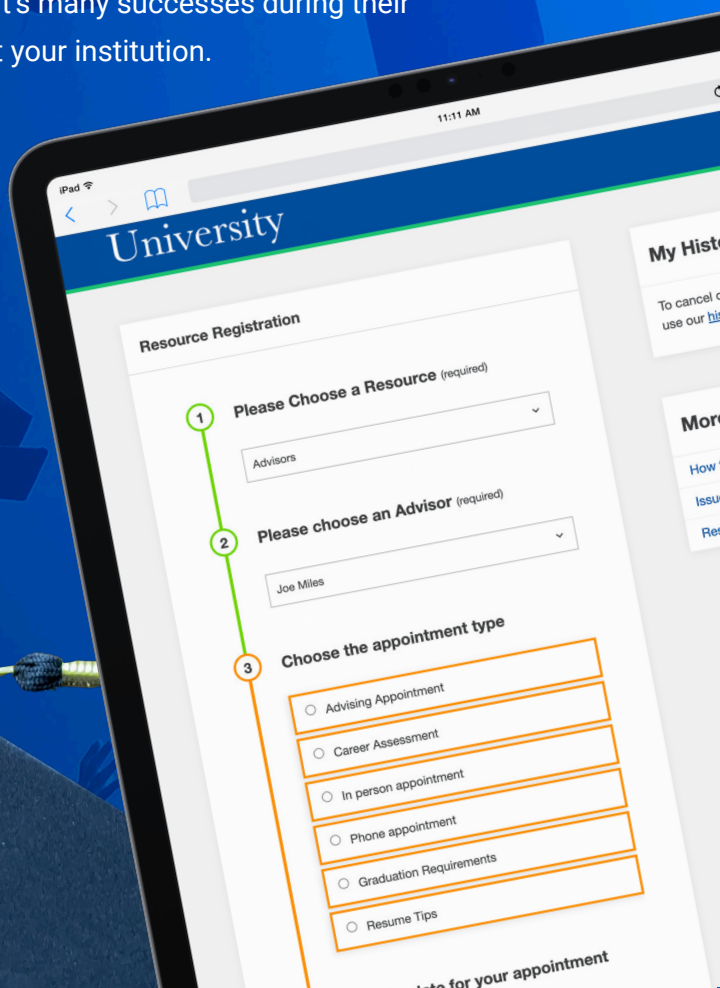

ALL ROADS IN THE LIFECYCLE CAN LEAD TO

GRADUATION.

Simplify the process of booking graduation and alumni events so you can get back to celebrating your student's many successes during their time at your institution.

● **ACADEMIC AFFAIRS**

Help students book appointments with academic affairs staff through RegisterBlast Resource scheduling.

● **CAREER DEVELOPMENT ADVISORS**

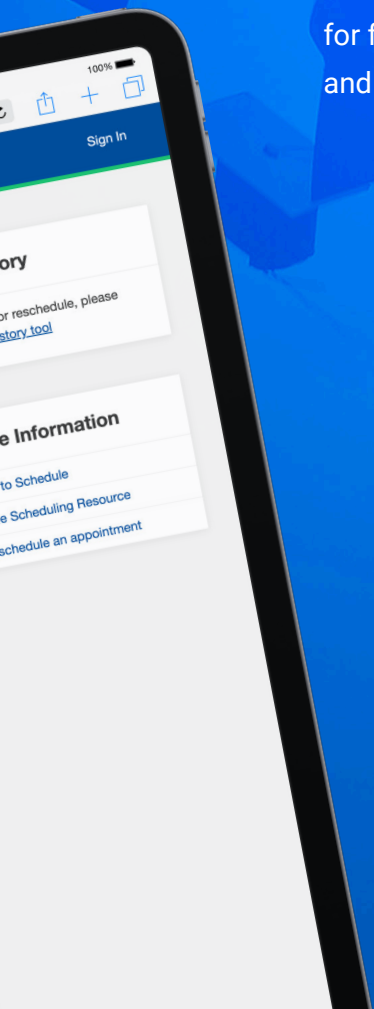

Schedule meetings with graduates for future employment opportunities and development.

● **GRADUATION CEREMONIES**

Oversee attendance and check-in for any pre-graduation rehearsals or graduation ceremonies.

● **ALUMNI EVENTS**

Even after graduation, RegisterBlast can help with booking time with alumni or scheduling reunion events.
